

# Agustin Sanchez - biography

05 June 2013

Born in Mexico City. From 1988 to 1991 he attended the Academy of Fine Arts of the National Institute of Fine Arts in Mexico City. In 1991 he went to New York with the interest to supplement its own research on the Aca art. In 1991 he moved to Italy where in 1996 he graduated at the Accademia Carrara di Belle Arti di Bergamo with the thesis - Cognitive processes and the virtual reality.

In 1997 he attended the 5th year of specialization established in the Academy. In 1997 selected the Advanced Course in Visual Arts proposed by Ratti Foundation in Como (IT), having as a Visiting Professor Allan Kaprow. Since 1995 he undertook numerous seminars at leading software companies worldwide in the use and analysis of software for multimedia production, is dedicated to artistic research (involving media ranging from photography, video and new technologies) and the design and construction of multimedia products. In 1998 he participated as Assistant to the Body and Soul, workshop, organized by the consortium Care Of - Via Farini - Milano (IT) coordinated by Dimitris Kozaris for the exhibition The Edge of Awareness.

His artistic training, courses and seminars held in Italy and abroad, giving life to his professional activities, from the first 90 years that focuses on the study and research of new media, as technological extensions that expand the creative possibilities of 'artist. The work led him to collaborate actively with artists and companies as a consultant, designer, author and coauthor of an important number of works and publications, including CD-ROMs, Web Site, Digitalart and Video Art.
