

LeonardoCalabresi

Graphic Design Web Solution

Sono circa dieci anni che mi occupo di grafica e sviluppo di siti internet. Le mie competenze in marketing e comunicazione, fanno di me il partner ideale per la realizzazione di progetti che coinvolgano più media.

Questo mio CV-Selezione progetti, vi permetterà di visionare una selezione dei miei lavori che nel corso degli anni ho realizzato.

Ho fornito e continuo a fornire servizi di consulenza a grandi e piccole imprese, pubbliche amministrazioni e privati che desiderano una comunicazione vincente, above e below the line.

There are about ten years that I deal with graphic and website development. My skills in marketing and communications, make me an ideal partner for the implementation of projects involving several media.

My CV-selection projects, will allow you to view a selection of my work over the years I realized.

I have provided and continue to provide consulting services to large and small companies, government and individuals who want a successful communication, above and below the line.
