Precise, punctual, flexible and prepared for team work. Experienced as art tutor and guitar tutor. In all my experience I had the opportunity to work in Italy and Netherlands.

Strong practical sense of the work, and motivated to work in the social contest of London, which I think is a great opportunity for an artist. I'm a music lover and art lover since always.

I'm eligible to work in the UK and I can prove it.

- Nationality: Italian
- Date of birth: 03/03/1986
